RECITALS:

- A. DMG and Customer are entering into that certain DIBELSnet[®] Data Management and Reporting Service Use Agreement ("Use Agreement"), which is governed by Conn. Gen. Stat. §10-234aa *et seq.*, as those laws exist on the date of DMG's signature set forth below ("Connecticut Student Privacy Laws").
- B. The Use Agreement, as modified by this Connecticut Addendum to Use Agreement ("Addendum"), is intended to comply with the Connecticut Student Privacy Laws.
- C. Capitalized terms used, but not otherwise defined herein, will have the meaning assigned to them in the Use Agreement.

ADDENDUM:

1. DMG and Customer will jointly ensure compliance with the federal Family Educational Rights and Privacy Act (20 U.S.C. Sec. 1232g), or "FERPA," as follows:
 - 1.1. Customer has determined that DMG is a "school official" with a "legitimate educational interest" in Customer Data, as those quoted terms are described in FERPA and its accompanying regulations. In particular, Customer has determined (i) that DMG is providing a service to Customer for which Customer would otherwise use employees; (ii) that DMG is under Customer's direct control with respect to its use and maintenance of Customer Data; and (iii) that DMG is subject to the requirements of 34 CFR §99.33(a) regarding its use and re-disclosure of Customer Data containing PII.
 - 1.2. As provided in the Use Agreement, DMG will not re-disclose Customer Data containing PII if doing so would violate 34 CFR 99.33(a).
2. If it is determined that the Use Agreement, including this Addendum, fails to include a provision that is required by the Connecticut Student Privacy Laws, or if it is determined that that the Use Agreement, including this Addendum, includes a provision that violates the Connecticut Student Privacy Laws, the Use Agreement will be construed as if that provision had been included or not included (as the case may be) such that the Use Agreement complies in all respects with the Connecticut Student Privacy Laws.
